Did you know?

You can check and reserve any titles on this page without typing them!

At the library: From any of our library catalog computers you can access our online entry page for the catalog. In the "New & Upcoming Titles" section, select a title and click "go."

At home: Go to www.thrall.org and click on the library catalog link to access the same page described above. Find the title that interests you and just click "go."

Suggestions...

from / to us / you / everyone!

Suggest books to the library: We welcome your suggestions for our collections. On our main library catalog page (www.thrall.org/catalog) you can click the "Suggest a Book Purchase" to submit titles for consideration.

Get suggestions – automatically! When you access Thrall's entry page for the library catalog, you can now click the new "see suggestions" link (below the search box) to display recent major titles and/or authors based on what you type. To start, simply type part of a title or author's name. If you see a title or author you want to search, just click on it to search the catalog. Save time, and discover other recent titles by your favorite authors!

Explore new books or recommend ones to other readers: Use our free RAVES! service (www.thrall.org/raves) to discover new and interesting books and authors. You can also recommend titles to other readers.
