What's New & Interesting at Middletown Thrall Library!

Winter 2015 Edition

"Life's most persistent and urgent question is: 'What are you doing for others?'" – Martin Luther King, Jr.

From Our Library Director Matt Pfisterer

Wonderful Winter Programs for Adults

When the weather is cold outside, come on into the Library for some great adult programs like these:

Afternoon Movies for Adults – Great Hollywood movies shown in the **2nd floor Community Room** on the **3rd Wednesday** of each month at **3 PM**. All movies are **free**.

Real Eclectic Film Series 2012 - "Reel Eclectic" is Middletown Thrall Library's year-long art / independent / international film festival. Throughout this series we present thought-provoking, unique, and critically-acclaimed films. All movies are shown in the library's **2nd floor Community Room** on the **first Thursday of each month at 7 PM**. Admission is **free**.

Remarkable Reads – Our **book discussion group for adults** usually meets on the ***last Wednesday** of each month at **3 PM** (***this February, it's a Tuesday**) for people who enjoy **great books** and **stimulating discussion**. Please call the Library for this month's **movie** and/or **book discussion title**.

So here's to a mild winter made warmer by quality programs at the Library. And since we are talking about winter, if you want the most up to date information regarding the status of the library during inclement weather, please call the Library at **(845) 341-5454**, or check out the Library's website, **www.Thrall.org** (click the link for **Closings/Delays** on the **upper most right side of the page**), or listen to these Cumulus media radio stations: WALL-AM 1340, WRRV-FM 92.7 OR FM 96.9, WPDH-FM 101.5, or WPDA FM 106.1, WZAD-FM 97.3, WCZX FM 97.7

Summer Reading Program Thanks

We would like to express our thanks to **Assemblymember Aileen Gunther** who secured a **\$1,250 Summer Reading Support Grant** to help fund our 2014 **Fizz... BOOM... READ!** program. This grant allowed the Library to present outstanding programs like, "Play, Move and Sing" classes, "Lego Creations," and "The Battle of The Books," for children ages 18 months to 17 years old. These programs advance literacy, foster a love of reading and involve parents and all family members in the summer reading experience. Thanks to all who participated this year and to Assemblymember Gunther for helping to make this year's program a truly memorable one.

Federal Tax Forms & Instructions

Due to recent cuts in their budget, the IRS is only providing us with preprinted copies of **basic federal tax forms**: 1040, 1040A, 1040EZ. We will **not** receive **instruction booklets** to distribute. We are trying to get booklets for Reference to *lend*.

For instruction booklets or *other* forms, the options are:

- to **order them directly** from the IRS
- download and print them **at home**
- download and print them **at Thrall (\$.20 per page)**.

If you do plan to **find and download NYS or IRS forms online on your own**, please keep **these websites** handy:

Black History Month

www.thrall.org/blackhistorymonth

Since 1976, February has been nationally designated as "Black History Month." Each year we update our online information guide in this period of shared national awareness and appreciation of African-American culture and history. Through our guide you can explore **websites, multimedia, books, videos**, and more quickly and easily!

Library Items & "Local Holds" Study

In the near future, libraries in the **Ramapo Catskill Library System (RCLS)** - **Thrall included** - will participate in a system-wide study doing away with the "Local Holds Only" status for library items. During this time, **all items** (except those designated as non-circulating or "browsing only") **can be reserved** by any RCLS library patron at any RCLS library!

Thrall patrons will continue to get first preference when placing holds on any items Thrall owns. The same will be true for other patrons at their libraries. It will be important **not to wait** to find specific items on the shelf, but to **place holds as soon as possible** since Thrall items will be used to fill holds at other libraries if there are no Thrall holds for them.

(continued)

(From Our Head of Reference Services – continued)

The **very positive** side of this study is that **most of the circulating items of other libraries will now be available for you to place holds on as well!** This will broaden the variety of items available to you as well as shorten the time you have to wait for new materials!

At the end of this study, the **Directors** of the RCLS libraries will decide whether to make the change permanent.

From Local History Librarian Charles P. DeYoe, III

The building that Thrall Library calls home turns **twenty years old** this year! The official grand opening was on **February 12, 1995**. There is a **display next to the entrance inside the building** showing various things relating to the building's anniversary such as **floor plans, photographs** of the opening celebration, and **memorabilia** from years past. One of the more interesting items is a **proclamation** from the Mayor declaring **February 12** to be **Middletown Thrall Library Day**. A quotation from the proclamation follows:

“NOW THEREFORE BE IT RESOLVED THAT: I, Joseph M. DeStefano, Mayor of the City of Middletown, do hereby declare the Twelfth Day of February, MIDDLETOWN THRALL LIBRARY DAY in the city of Middletown...”

While it was likely intended that the holiday would be celebrated *just* in 1995, you might, if just in fun, interpret the text to mean *every* February 12 is *Middletown Thrall Library Day!* Well, if you agree, perhaps you might “celebrate” the day by coming to the library and checking out a book or DVD!
