Nonfiction Author Spotlight: Jonathan Franzen

This versatile writer is known for both his fiction and nonfiction. In his novels, Franzen weaves humor and drama into compelling contemporary tales with complex characters. In addition to his autobiographical work *The Discomfort Zone: a Personal History*, he has penned a number of essays including these collections:

- Farther Away*
- How to Be Alone*

According to the publisher, Franzen’s latest essay collection, *The End of the End of the Earth*, “traces the progress of a unique and mature mind wrestling with itself, with literature, and with some of the most important issues of our day, made more pressing by the current political milieu.”
