# November 2022 Nonfiction Titles

## ***The LEGO Story*** by Jens Andersen

“Through interviews with the founding family that still owns the company—and with access to the vast LEGO archive—this definitive story behind one of the most beloved brands on the planet doubles as a cultural history of changing generations’ view of childhood and the importance of play.”

## ***Silent Spring Revolution*** by Douglas Brinkley

“Crucial to understanding the battle to protect America’s land, water, wildlife and air, this book pays tribute to environmental activists who literally saved the natural world under the leadership of John F. Kennedy due in part to *Silent Spring*, a book that launched an eco-revolution among the American people.”
