Upcoming Fiction Highlights...

Hester
by **Lico Albanese**
"Arriving in Salem from Scotland in the early 1800s, Isobel, left penniless and alone by her husband in a strange country, is instantly drawn to Nathaniel Hawthorne, and as they grow closer and closer, they are a muse and a dark storyteller, the enchanter and the enchanted."

The Hero of this Book
by **Elizabeth McCracken**
"After her mother's death, the narrator, a writer, recalls all that made her complicated mother extraordinary and even though she wants to respect her mother's nearly pathological sense of privacy, must decide whether chronicling this remarkable life is an act of love or betrayal."

Our Missing Hearts
by **Celeste Ng**
"It's a story about the power - and limitations - of art to create change, the lessons and legacies we pass on to our children, and how any of us can survive a broken world with our hearts intact."
